SCHOOL/COLLEGE**Y GYFRATH**

(Lefel Uwch/Uwch Gyfrannol CBAC)

Nod y cwrs yw meithrin gwybodaeth a dealltwriaeth o'r system gyfreithiol yng Nghymru a Lloegr a thrwy astudiaeth drylwyr o faes penodol o'r gyfraith, meithrin gwybodaeth a dealltwriaeth gadarn o gorff o reolau cyfreithiol. Mae'r cwrs hefyd yn ceisio rhoi ymwybyddiaeth feirniadol o gysyniadau a natur y gyfraith. Byddwn hefyd yn ceisio meithrin agwedd ddadansoddol a beirniadol at egwyddorion cyfreithiol drwy drafn dadleuon cyfredol a newidiadau arfaethedig i'r gyfraith.

Bwriedir i astudiaeth o'r gyfraith i Safon Uwch fod yn gwrs cyflawn ynddo'i hun.

UG

UNED 1 - Deall Gwerthoedd, Fframweithiau a Phrosesau Cyfreithiol - 1½ awr. [25%]

UNED 2 - Deall Ymresymu, Personel a Dulliau Cyfreithiol - 1½ awr. [25%]

SAFON UWCH

Bydd hwn yn ddewis diddorol i fyfyrwyr gan fod Cyfraith a Chyflawnder Trosedd yn dal i fod yn faes sy'n newid yn barhaus mewn polisi cyhoeddus ac mae'r pwnc yn arwain at drafn dadlau bywiog.

Mae astudio'r Gyfraith fel cymhwyster UG a Lefel A yn cyd-fynd â llawer o bynciau ac yn arbennig o ddefnyddiol mewn cyfuniad gyda Saesneg, Economeg, Hanes, Cymdeithaseg, Addysg Grefyddol ac Astudiaethau Busnes. Gellir defnyddio sgiliau a ddefnyddir yn y Gyfraith mewn pynciau eraill ac mae'r meysydd pwnc yn aml yn gorgyffwrdd â disyblaethau eraill.

Criminal Law and Justice, where students study substantive criminal law including homicide offences and non fatal offences e.g. assaults, the trial process, the role of the courts, police powers, young offenders, sentencing policy and the police complaints system.

UNIT 3 - Understanding Substantive Law: Freedom, the State and the Individual - 1½ hours. Criminal Law and Justice. [20%]

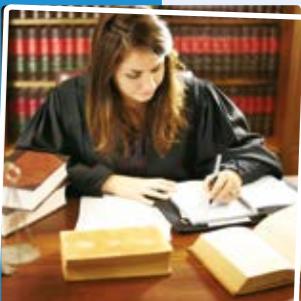

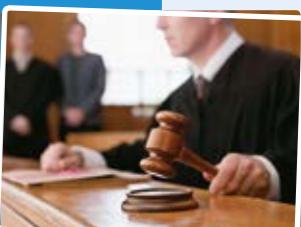

UNIT 4 - Understanding Law in Context: Freedom, the State and the Individual - 2½ hours. Criminal Law and Justice. [30%]

Students will find this an interesting option since criminal law and justice continue to be a volatile area of public policy and the topic leads to stimulating discussion and argument.

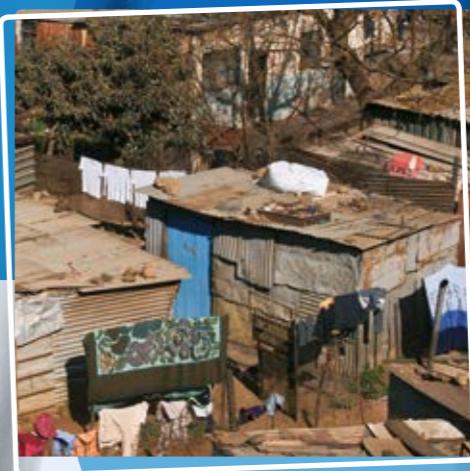

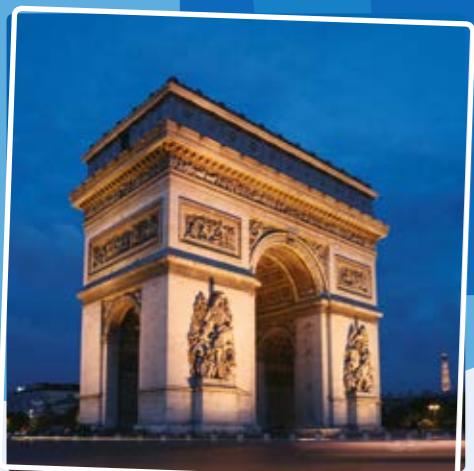

The study of Law at AS and A Level fits neatly alongside many subjects and is particularly useful in combination with English, Economics, History, Sociology, Religious Education and Business Studies since skills used in the study of Law may be applied in the other subjects and the content in topic areas often overlaps with the other disciplines.
